The Swachh Bharat Abhiyan, or Clean India Mission, is a significant campaign aimed at promoting cleanliness and sanitation across India. At Tulsi College, this initiative might include various activities such as:

1. **Cleanliness Drives:** Organizing regular campus clean-up events where students and staff participate in cleaning the college premises.
2. **Awareness Programs:** Conducting workshops and seminars to educate students about the importance of hygiene, waste management, and environmental sustainability.
3. **Waste Segregation:** Implementing proper waste disposal systems, including bins for biodegradable and non-biodegradable waste, to encourage responsible waste management.
4. **Promotion of Eco-Friendly Practices:** Encouraging the use of reusable items, minimizing plastic usage, and promoting sustainable practices among students and faculty.
5. **Community Involvement:** Engaging with local communities through outreach programs that extend the principles of cleanliness and sanitation beyond the college campus.
6. **Competitions and Events:** Hosting competitions related to cleanliness, such as poster-making or slogans, to inspire creativity while spreading awareness.
