Report on CS Foundation Course Mock Entrance Exam

Tulsi College of Computer Science and Information Technology, Beed, run by Deogiri Pratishtan, has organized a special Mock Entrance exam for the Company Secretary Foundation course. Under this program, students will prepare for the Company Secretary Foundation Course Entrance examination conducted by the Institute of Company Secretaries of India, an organization of the Government of India.

An entrance examination was conducted on 07 April 2022 under the supervision of Prof. Waghmare Vikas. Students responded overwhelmingly to the entrance test.

The format of the exam was multiple-choice. Dr. Vikas Waghmare and Mr. Mirza Sameer Sir worked hard in the preparation for the entrance test. The entrance examination was conducted under the supervision of Nikalje Sir.

Mirza Sir and Dr. Waghmare Sir informed the students about the nature of the Company Secretary exam, how to prepare for it, and the benefits of doing it, as well as the opportunities available after the exam.

The Company Secretary Foundation Exam will be held on 15th May 2022, according to the website of the Institute of Company Secretaries of India.

Report on Investment Awareness Program

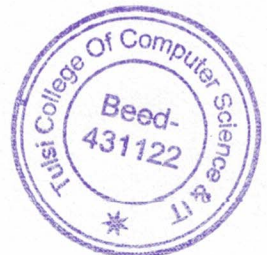

On December 19, 2022, Tulsi College of Computer Science and Information Technology hosted an Investment Awareness Program aimed at enhancing students' financial literacy and understanding of investment opportunities. The program was designed to provide students with essential knowledge about various investment options and to encourage them to develop sound financial habits.

Objectives

- To raise awareness about the importance of early investment.
- To educate students on different types of investment vehicles, including stocks, mutual funds, and bonds.
- To provide insights into effective risk management and portfolio diversification.
- To promote a culture of financial literacy within the student community.

G- INSTITUTIONS AND CONSULTANCY

Dt: 30-12-2022

To,
The Principal,
Tulsi College of Computer Science & Information Technology,
Adarsh Nagar, Beed.

Dear Sir/ Mam,

SUBJECT: Appreciation letter for organizing a webinar on **Investor Awareness Webinar** for your college students.

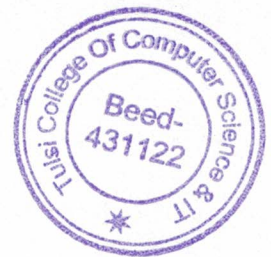

We, at G Institutions and Consultancy conduct webinar for college students to create awareness of various aspects of Personal Financial Planning, which would help them to plan their finances systematically.

We are happy to collaborate with your esteemed institution for organizing an Investor Awareness program in association with National Stock Exchange for your students conducted 01 webinars on **19-12-2022**. We are confident that these webinars have been helpful to your students to acquire necessary inputs and provide guidelines related to Personal Financial Planning which will help them in making an informed decision.

We look forward for long-term association with institute.

Thanks and Regards,

Director

Report on Two-Day Workshop: "Research Methodology"

On 08-02-2022 Tulsi College hosted a two-day workshop titled "Research Methodology," conducted by Dr. Hasmukh Panchal, a distinguished expert in the field of research and academia. The workshop aimed to equip students and faculty with essential research skills and methodologies for effective research.

Objectives

- To provide a comprehensive understanding of research methodology.
- To familiarise participants with various research techniques and tools.
- To enhance participants' ability to design and execute research projects.

Highlights

Introduction to Research:

Understanding the significance of research in academia and industry.

Types of research: Qualitative vs. Quantitative.

Research Design:

Formulating research questions and hypotheses.

Overview of different research designs (descriptive, experimental, etc.).

Data Collection Methods:

Techniques for collecting data: surveys, interviews, and observations.

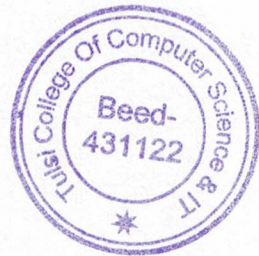

Importance of sampling and sample size determination.

Hands-On Activity:

Participants were divided into groups to brainstorm research questions and design preliminary research frameworks.

IQAC Co-Ordinator
Tulsi College of Computer
Sci. & I.T., Beed-431122

I/C Principal
Tulsi College of Computer
Sci. & I.T., Beed-431122

Data Analysis Techniques:

Introduction to statistical tools for data analysis.

Discussion on qualitative data analysis methods.

Writing Research Proposals:

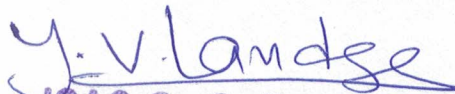

Key components of a successful research proposal.

Tips for writing and presenting proposals effectively.

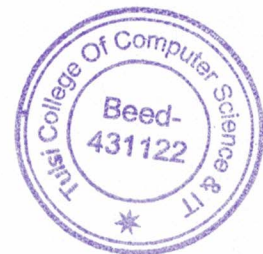

Ethics in Research:

Understanding the ethical considerations in conducting research.

Importance of integrity and ethical compliance.

Report on Seminar on Career Opportunities in the Middle East for IT Graduates

Date: June 27, 2022
Chief Guest: Mr. Siddique Ahemad

On June 27, 2022, Tulsi College of Computer Science and Information Technology organized a seminar titled "Career Opportunities in the Middle East for IT Graduates." The event aimed to provide insights into the burgeoning IT job market in the Middle East, with a focus on the skills and qualifications necessary for success. We were honoured to have Mr Siddique Ahemad, a former IT professional with extensive experience in the Middle East, as our chief guest.

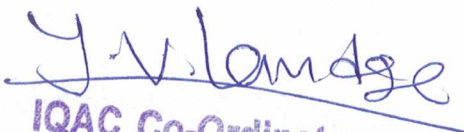

Objectives

The seminar aimed to:

- Highlight career prospects for IT graduates in the Middle East.
- Discuss the skills and qualifications in demand in the region.
- Provide practical advice on job application and interview processes.

Mr Ahemad opened the session by sharing his journey in the IT sector while working in various Middle Eastern countries. He underscored the region's rapid technological advancements and the increasing demand for skilled IT professionals.

The seminar on "Career Opportunities in the Middle East for IT Graduates" was a resounding success. Students gained valuable insights into the IT job market and the skills required to excel in it. Mr. Siddique Ahemad's expertise and personal experiences provided a unique perspective that inspired many students to consider careers in the Middle East.

To,

Mr Siddique Ahemed,

Asst Professor,

Tulsi College of Computer Science & Information Technology,

Beed.

Subject: Letter of appreciation for Seminar on Job opportunities in Middle East Countries.

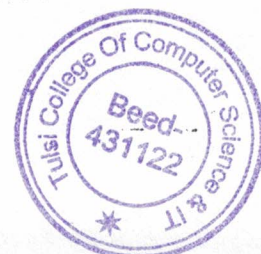

Respected Mr. Siddique,

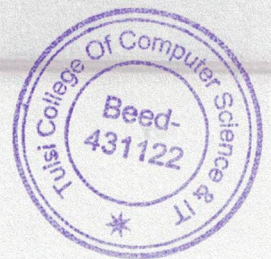

On behalf of Tulsi College of Computer Science & Information Technology, I would like to extend our heartfelt appreciation for your invaluable contribution as the chief guest at our seminar on "Career Opportunities in the Middle East for IT Graduates," held on June 27, 2022.

Your insights into the IT job market in the Middle East and your personal experiences provided our students with a clear understanding of the opportunities available in the region. The practical advice you offered on in-demand skills, job applications, and interview preparation was particularly beneficial, and many students expressed newfound confidence in pursuing careers abroad.
