Tulsi Computer Science & Information Technology College

Adarsh Nagar, DP Road, Beed. (MH)

Affiliated to Dr Babasaheb Ambedkar Marathwada University

College has registered an Alumni association in 2020 for building a strong bond between alumni, current students & college management. Although the Association was established in the year 2020, before that the college was tough with Alumni. An association is registered under society act XXI of 1860 in the office of charity commissioner, Beed. Alumni meetings and various programs are arranged from time to time to maintain a strong bond with the students. Its feedback and suggestions help the college authorities to enhance the quality of education.

Alumni of Tulsi College of Computer Science & Information Technology, work in a diverse range of areas like Information Technology, Software development, Software Testing, database management, banking, education, finance, public service, politics, etc. A lot of alumni are entrepreneurs, they have their businesses. The majority of students and alumni are from socially and economically backward classes. Most of them contribute to college through various intellectual services like guest lectures, seminars, workshops, and career guidance.

Alumni who are entrepreneurs have guided how to start up a new business and turn students from job seekers to job providers which ultimately helps students in starting their businesses.

Alumni attend various functions in the college, such as annual gatherings, flag-hoisting ceremonies, etc. Alumni can register themselves by filling out a Google form. Registration Google form link is available on the college website. The college is continuously in contact with most of its alumni through various WhatsApp groups.

The main objectives of the alumni association are as follows:

1. To raise funds by undertaking various activities.

2. To arrange career guidance, guest lectures, and workshops for current students.
3. To help alumni to maintain a strong bond with their college and contribute towards the development of the institution.
4. act as a role model and inspiration for the current students.
5. To get feedback from the Alumni periodically and contribute towards the development of the institution.
6. To organize & coordinate reunion activities of Alumni.
7. To share information helpful to build a career with other Alumni.

The use of the college website and WhatsApp group is done to encourage the alumni to register themselves in the association. It helps the alumni residing in different parts of Maharashtra to associate themselves with the college.

Activities and contributions of the Alumni Association:

1. Alumni give guest lectures to current students which helps students in career building.
2. Alumni are invited to college in various meetings and they discuss curriculum revision and various curricular aspects with faculty and stakeholders

Placement:

Alumni always extend their support in students' placement. Alumni help current students by informing various openings in their organization. They also give references to current students which helps students getting placed.

Expressing his thoughts on the occasion, former student Kishor Waghmare said that many activities are carried out through College. Many activities like E-Class, Online Seminar, Computer Skill Development, Skill Development Program through MCED, and Android Applications Workshop are implemented in the college. Also, blood donation camps through NNS, tree plantation, water conservation awareness, and AIDS awareness are organized by the college. As a former student, I am proud to be working as a Lab Assistant in Tulsi College today, said Kishor Waghmare.

While speaking, Mr. Nikalje D.G. emphasized the importance of computer science and information technology to the students. Tulsi College is

Providing IT opportunities to needy students and children of farmers, he added. College is working to make such students financially capable by imparting knowledge to them. At the same time, Principal Nikalje DG emphasized the importance of computers in a changing world. Expressing his pride that the students of Tulsi College are working in various fields, he thanked all the students for their achievements and wished them all the best in their future endeavours. Nikalje DG said that needy financially backward students should be admitted to Tulsi College to pursue their careers. The technical side of the online meeting was competently handled by Prof. Sameer Mirza. A large number of Alumni of Tulsi Computer Science and Information Technology College were present on the occasion.
