## Report on Carom Competition

**Event:** Carom Competition  
**Date:** 24<sup>th</sup> January 2020  
**Purpose of event:** Celebrate Republic Day through various activities  
**Coordinator:** Jogdand V.S.

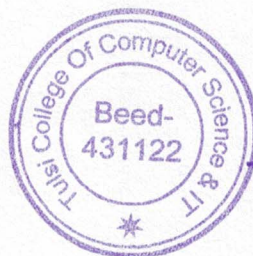

### Summary

The Carom Inter-class competition was held on 24<sup>th</sup> January 2020 at Tulsi College of Computer Science & Information Technology, Beed.

The matches up to the quarter-final were knock-out matches. Being a knockout competition, losing a game would see them out of the competition. However, it was noticed that all the participants took careful moves while playing. Every participant in the tournament was equally strong. A platform was provided to participants and they utilized it to their fullest.

The event was organized on behalf of the celebration of Indian Republic Day.

**Annual Day 2019-20 Report**

Deogiri Pratishthans, Tulsi College of Computer Science and Information Technology, and Tulsi Arts Science and Commerce Junior College Beed celebrated their annual convocation for the academic year 2019-20 on 1st February 2020 at Yashwantrao Chavan Theater Beed with enthusiastic performances by young students.

On this occasion, Ravindra Jogdand (Deputy Commissioner, GST, Aurangabad) inaugurated the program and Hon'ble Prof. Pradeep Rode (Chairman, Deogiri Pratishthan, Beed) Hon'ble Gajanan Jadhav (Police Inspector, Beed) Hon'ble Prof. Shahid Qadri (State Secretary, Urdu MUPTA) Dr. Balaji Ghanghav as the keynote speakers. (Geologist, Mauli Hospital, Jalna Road, Beed) Professor Nikalje DG (Tulsi College, Beed) along with Honorable Principal Waghmare MR (Tulsi Junior College, Beed) were present.

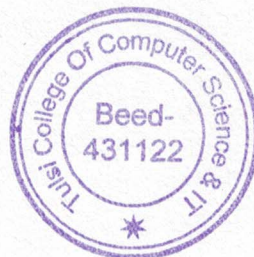

Honorable Ravindra Jogdand Sir while guiding the students on this occasion said that Tulsi College, which has become famous in a short period, is promoting the qualities of the students through various activities despite the IT career field. Today's students have a lot of facilities and opportunities to make a name for themselves in different fields of art, but it is important to have the attitude of hard work. A directionless student may not get fired up but for those who want to succeed, personality development along with the honest acquisition of knowledge is important. Whoever can prove himself succeeds, no matter the field. This is the age of awakening to prove yourself and make your destiny. No field is unworthy of prowess. While at Columbia University, Dr Babasaheb Ambedkar completed the eight-year course in just two and a half years by studying for 21 hours. Such an ideal personality should be in front of us. Today's student can be created only from a scientific point of view and can save himself and the country by deciding the future of the individual and the country.

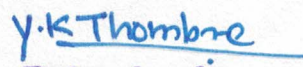

For this purpose, he wished the students of today advising them to keep the idea of constitutional equality in mind and to keep all religions in mind, and also to use media like Facebook and WhatsApp for the good functioning of all things and act responsibly and to get education as an ambassador of equality along with education.

Honorable Deepa Pradeep Rode (President, Tulsi Mahila Mandal, Beed) Hon'ble Parvati Tai Gaikwad (Social Worker) Hon'ble Maske Sarjerao Maruti (Principal, Bhagat Singh Vidyalaya, Beed) Professor Pradeep Rode, Hon'ble Ram Gaikwad Sir were present as the guests for the prize distribution ceremony.

On this occasion, the parents and the present youth gave a great response to the talent of the students and increased the enthusiasm of the students. All the faculty and staff of the college have worked hard for the successful completion of the program and especially the students of Tulsi Boys Group have worked hard for security.
