Report on Rangoli Competition: "Prevention of Coronavirus"

Date: May 19, 2021
Venue: Dr. Abdul Kalam Computer Science & Information Technology College
Theme: Prevention of Coronavirus
Organized By: Cultural Activities Committee

On May 19, 2021, Dr. Abdul Kalam Computer Science & Information Technology College organized a vibrant Rangoli competition under the theme of "Prevention of Coronavirus." This cultural activity aimed to engage students creatively while promoting awareness about COVID-19 prevention measures. The event was well-attended and provided a platform for participants to express their artistic talents and convey important health messages through traditional art.

The primary objectives of the competition were:

- To foster creativity and artistic expression among students.
- To raise awareness about COVID-19 prevention measures through art.
- To encourage teamwork and collaboration among participants.
- To celebrate cultural heritage while addressing contemporary issues.

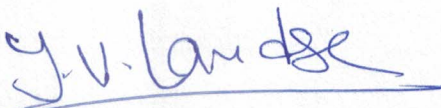

The Rangoli designs creatively depicted various aspects of COVID-19 prevention, including:

Masks: Symbolizing the importance of wearing masks in public spaces.

Sanitization: Illustrations of hand sanitizers and soap to emphasize hygiene practices.

Social Distancing: Visual representations of safe distances, highlighting the need for space between individuals.

Vaccination: Artistic representations of vaccines, promoting the message of getting vaccinated.
