## Speech Competition on the occasion of Rajmata Jijau Jayanti

Date: January 12, 2022  
Occasion: Rajmata Jijau Jayanti  
Venue: Smart Room  
Organized by: IQAC Department

### Overview

On January 12, 2022, Tulsi College of Computer Science & Information Technology celebrated Rajmata Jijau Jayanti by hosting a spirited speech competition exclusively for female students. The event aimed to empower young women, encouraging them to express their thoughts and ideas in honour of Rajmata Jijau's legacy of strength and leadership.

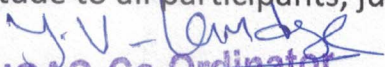

### Participants

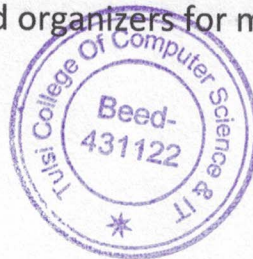

The competition saw enthusiastic participation from students across various disciplines, each eager to showcase their oratory skills. The atmosphere was charged with excitement as contestants prepared to deliver their speeches on topics related to women's empowerment, leadership, and the inspiring life of Rajmata Jijau.

### Proceedings

The event commenced with an introduction by the IQAC Coordinator, who emphasized the significance of Rajmata Jijau as a role model for women. This was followed by the speeches, where each participant presented their ideas with confidence and poise. The judges, comprising faculty members, evaluated the performances based on content, delivery, and overall impact.

The speech competition was a resounding success, highlighting the talent and potential of young women at Tulsi College. The event not only honoured Rajmata Jijau but also inspired participants to embrace their voices and leadership capabilities. The IQAC Department extends its gratitude to all participants, judges, and organizers for making this event memorable.

## Report on Singing Competition Organized by Tulsi College of Computer Science & Information Technology

Date: January 22, 2022  
Theme: Patriotic Songs  
Time: 03:00 PM  
Occasion: Republic Day

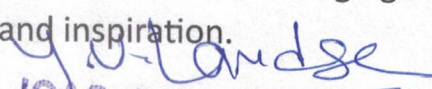

On January 22, 2022, Tulsi College of Computer Science & Information Technology hosted an exhilarating singing competition themed around patriotic songs in celebration of Republic Day. The event aimed to foster a sense of national pride and unity among students while showcasing their musical talents.

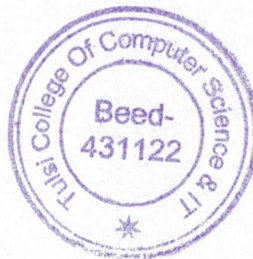

The competition commenced at 03:00 PM in the college classroom. Students from various departments participated, each eager to express their patriotism through music.

A total of 20 participants took part in the competition, performing a range of patriotic songs that resonated with the audience. The performances included traditional anthems, contemporary patriotic pieces, reflecting the diverse talents within the college.

A panel of judges, comprising faculty members, evaluated the performances based on criteria such as vocal clarity, emotional expression, originality, and audience engagement. The judges provided constructive feedback, encouraging students to enhance their skills.

The singing competition was a resounding success, reinforcing the values of patriotism and community spirit within the college. Students not only displayed their musical talents but also united in celebrating the essence of Republic Day. The event concluded with a collective singing of the national anthem, leaving everyone with a sense of pride and inspiration.

**Report on Mehndi Competition Organized by Tulsi Computer Science &  
Information Technology College**

Date: January 25, 2022

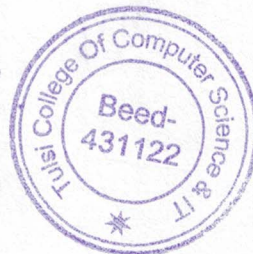

Organized by: Cultural Committee

On January 25, 2022, Tulsi College of Computer Science & Information Technology hosted an engaging Mehndi competition as part of its cultural activities. The event aimed to celebrate creativity and foster a sense of community among students while showcasing the traditional art of Mehndi (henna).

The competition saw enthusiastic participation from students across various departments. A total of 20 participants registered, including both experienced Mehndi artists and novices eager to showcase their skills.

The Mehndi competition was a resounding success, fostering creativity and camaraderie among students. It provided a platform for students to express their artistic talents and appreciate the cultural significance of Mehndi. The event concluded with a vote of thanks from the cultural committee, expressing gratitude to all participants, judges, and attendees for making the event memorable.

## Report on Chess Competition

Date: January 25, 2022

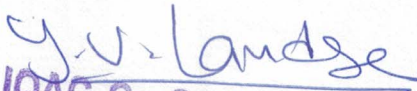

Organized by: Sports Department

On January 25, 2022, Tulsi Computer Science and Information Technology College hosted a chess competition in celebration of Republic Day. The event aimed to promote strategic thinking, sportsmanship, and camaraderie among students, while also honoring the significance of the Republic Day.

The competition was organized by the Sports Department, drawing participants from various departments within the college. The event commenced at 10:00 AM, with registration for participants starting an hour earlier. A total of 32 students registered, demonstrating a keen interest in the game and a competitive spirit.

The tournament followed a knockout format, ensuring that each match was played with intensity and focus. The rules adhered to standard chess regulations, with each match timed using chess clocks to enhance the competitive atmosphere. Players were required to be familiar with the basic rules and etiquette of chess, ensuring a fair and respectful environment.

The chess competition on Republic Day was a resounding success, fostering a spirit of healthy competition and teamwork among the students of Tulsi Computer Science and Information Technology College. The event not only celebrated the significance of the day but also highlighted the importance of strategic thinking and intellectual engagement in the realm of sports.
